Judy
Although I've only known you this year I have come to respect and like you very much. Your wonderful personality has helped me very much this year. Your excellence has given me a goal that I realize can be reached. I can never thank you enough for helping me get started along the road toward this goal. I may never reach it but the joy of having your help is great. Best wishes and good luck at O. U.

Thanks a lot

Dear Judy,

Throughout these last two years I have had the pleasure of having you as a friend. You have helped me in an uncountable number of ways. I said at the NFL banquet that whatever I became I would owe it in part to Kyle. The same is true of you. Without you I never would have passed Latin, I never would have become NFL President, and I certainly wouldn't have become the hard-headed ornery debater that I am. I shall always remember you with love. I pray that you will receive your great reward as a brilliant doctor, a hard working student, and a wonderful friend.

With love for you always I am sincerely,

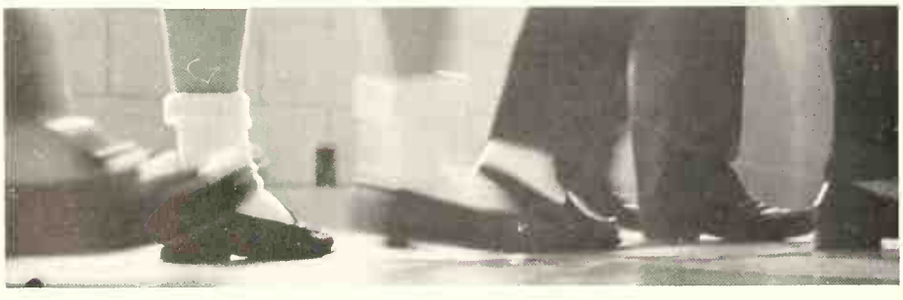
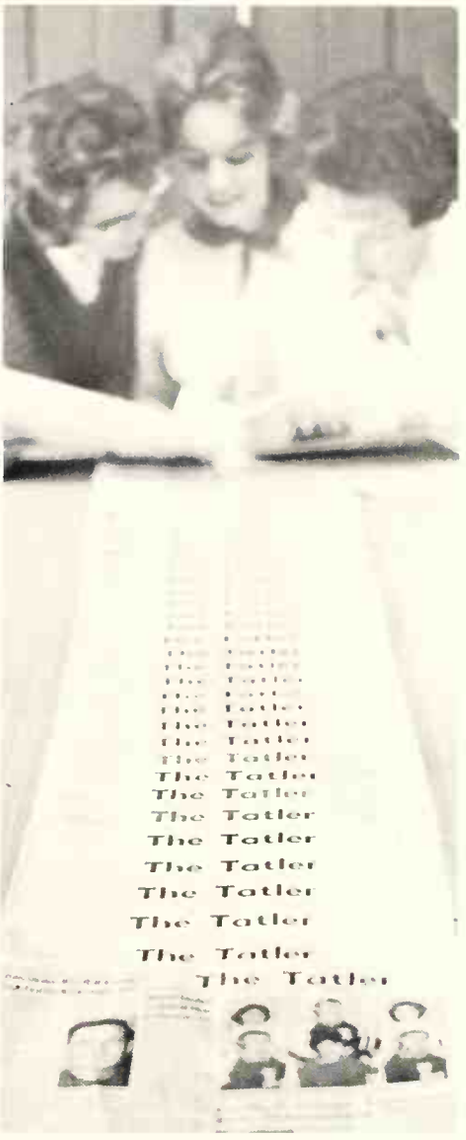
. . . A City



The laughter in the halls, the hush of the classrooms, the roars and screeches in the parking lot, the lunchroom clatter, the resounding rap of a gavel on a student council table, the hollow echo in dimming halls at 4:30, these are the sounds—the silences of our city. There are sounds of youth, pride, and enthusiasm that rock stadium and gymnasium. There is the utter soundlessness of reflection and contemplation mingling with doubt and hope.

Life in our city is one to be remembered — treasured. There are sights that even Time cannot erase. The boldly colored maps in the history classes, green plants along the window sills, the aroma of piping hot rolls from the cafeteria, endless rows of lockers all stuffed to capacity with books, papers or even someone's very special letter jacket, these are some of the smaller things. There are things of greater meaning which are uniquely Lawton High School's. Objects symbolic and inbred, such as the trophy case, are shining proof of the student citizens who have exerted the "Utmost for the Highest."



Our city is one of movement. The transportation system, primarily feet, is always in motion. At one-hour intervals there is the rush of four thousand feet scurrying from classrooms to lockers and back to class again. There are the movements of friends hurrying to meet each other, of teachers gathering records and hastening to a faculty meeting. There is the movement of student citizens in the student council room putting into practice the ideas and ideals of government. These are the movements of preparation—preparation for life in other cities—cities of further study, cities in which the knowledge accumulated is to be tested and applied.

Our city is one of many and varied cultural influences. It is a city in which students may study the creations and creators of masterpieces in art, literature, or music. It is a place in which students are encouraged and inspired to express their own creative abilities.

Without certain spiritual factors, our school would be void. At the weekly Chapel Time Service, one may find a group of students listening raptly to the speaker or with bowed head asking God's guidance in their daily living. In these students, the prayer of Moses from the *Psalms* is made manifest. "So teach us to number our days, that we may apply our hearts unto wisdom."

These are The People Within The City

These are the people, the citizens of Lawton High School. Their actions exemplify the characteristics of our time. In these faces may be read the destiny of a great nation, of a world.

In the first picture, you may see a couple giving of their time and talents to the entertainment of others as they rehearse for the all school play, "Annie Get Your Gun."

Next is a young girl studying the stage mirror thoughtfully as she prepares to take her place on stage. It is her desire to portray and relate the deeds and emotions of man through her acting ability.

Pride and enthusiasm are reflected in the pretty faces of three avid fans, perched atop the goal post as they arrange the finishing touches of red and white.

Laughter and gaiety do not always fill the passages of our community. The frustrations of a difficult day are seen in this study of one of our citizens.

The terrazzo Wolverine, which remains ever poised in the entrance to our city, is receiving a bath before a big game. The Wolverine is the one great and respected symbol of our unity of desire and spirit. It is called the "Wolverine Spirit."

A pensive expression is worn by a student photo rapher as he waits a little tiredly for prints to cor plete the developing process.

This is the scene. The movement is still no in the halls of our city. It's late and the halls a beginning to dim and darken in the final pictur This day is over in our city only a few students r main to gather their books and go home—until t morrow. In the morning, the halls will once aga be filled with laughing and talking, and rushir feet.

These are the faces of youth. There are mar such as these. Faces of students filled with the hop and dreams of youth, each having their own spec desires and ambitions, problems and decisions. T citizens of our city have many decisions facing the at this period in their lives. They must decide wh it is that they hope to receive from life and wh they can give to the lives of those about them. is in this city that their dreams and ambitions a set on the road to reality. This is the time for storir knowledge and developing inner resources and ab ities on which they can rely. These are the cha lenged ones. These are the ones, who must ear

learn that each moment once past may never be recalled, therefore, each must be lived to its fullest extent. Here in our city are teachers, sponsors, and guidance directors always willing to offer a helping hand, to counsel and advise. They are doing their part. It remains in the hands of each student to take advantage of these facilities.

Lawton High School forms a matrix in which students can and must build. Our city has presented knowledge and blended with it a proper balance of cultural, spiritual, and social influences. Students are taught to realize and accept the responsibilities placed upon them.

Ours is a city of challenge. Here it is stressed that good isn't good enough. Each student is challenged to exceed the standards and achievements of former students. Great and wondrous things have been accomplished before and during our time, and yet there remain still greater feats. There are secrets of the universe to unlock, great structures to be built, families to establish, fears to conquer, diseases to cure, classics not yet created, sermons to be delivered, business to transact, brotherhood to strive for. These are the challenges. The ideas born and brought forth in this "city" of young minds and souls will form the master plan for the future!

Faculty

For unfailing loyalty . . .

MR. RALPH McCARTY, M.ED
University of Oklahoma

Because of his unfailing loyalty to Lawton High School, its students and its faculty, his tireless efforts to create a better school for all of the students, his willingness to sponsor the school's activities, the imapct he creates on his students, we, the staff of the 1961 Wolverine LORE, humbly dedicate this volume to Mr. Ralph McCarty, LHS American history teacher. We feel that this book, the best efforts of many hands, could not be dedicated to a more deserving teacher and person.

. . . and

Tireless effort

Mr. Ralph McCarty is a teacher of high reputation and standing. He began his teaching career after being graduated from Central State College, Edmond, with his Bachelor of Arts degree. He taught in other state schools before coming to Lawton in 1946. In five of these schools, he served as principal. In September, 1946, he began his teaching career in Lawton High School. Mr. McCarty accompanied the faculty when they moved into the new building in 1955.

This Book is Dedicated to . . .

Mr. Ralph McCarty

Mr. McCarty holds an important position on the faculty. As head of the social studies department he answers for his section when needed in all matters concerning them.

Mr. McCarty has always been active in student affairs. Last year he acted as sophomore class sponsor and this year he is advisor to the junior class. He has worked diligently on all class activities. He assisted on the junior play, the junior assembly, and the all-important junior-senior prom.

MR. JOHN SHOEMAKER, M.ED
Superintendent

Mr. John Shoemaker, Superintendent of the Lawton Public Schools, has served in his present capacity for 14 years. In the past he has been a teacher and a principal in Lawton. As general administrative supervisor he is responsible for the general co-ordination of the school system. Mr. Shoemaker maintains a system of guidance, health, research, and curriculum services for the schools in Lawton. He has the authority to select, assign, transfer, and suspend any employees of the educational system. It is the duty of Mr. Shoemaker to see that all state laws and policies of the school board are carried out.

Mr. Justin Kuntz, the clerk of the board of education, has been with the Lawton Public Schools for the past 41 years. Mr. Kuntz is responsible for the clerical, financial, and business interests of the schools. He is in charge of the all-important student activity fund of Lawton High School.

Mr. John Elkins was a teacher and principal in Lawton schools before assuming, four years ago, his present position as administrative assistant. Mr. Elkins is director of personnel and is in charge of school busses and transportation.

Mr. Ward McCracken has also been both a teacher and a principal in Lawton. He became director of special services in 1959. Mr. McCracken directs the federal aid program of the schools, a most important job, as 60 per cent of the students in Lawton schools are federally affected. He is assistant business manager and supervisor of cafeterias.

Miss Thelma Talla, elementary co-ordinator, has served with the Lawton school system for 30 years and has served in her administrative office for 14 years. Miss Talla is in charge of all visual aids, records, and free textbooks of the elementary schools.

. . . and the Board of Education . . .

The Board of Education of the Lawton Public Schools holds full legislative authority and control over the schools. The board adopts rules concerning their general policies and acts directly in matters not covered by these rules. It appropriates funds and accepts commercial bids for construction, purchase, or maintenance of school properties. The board also acts on matters submitted to them by the superintendent.

The authority of the board is derived from the people of the school district through the acts of the state legislature and operates under the rules and regulations of the State Board of Education.

The Board of Education has legal control over all funds collected and received from student activities, including all admissions received at athletic contests and school plays.

Principal

Mr. H. W. Bish, principal of LHS, a native of Okeene, Oklahoma, graduated from Canoga Park High School, Los Angeles, California, as president of his senior class. He received his Master of Arts degree from Highlands University, Las Vegas, New Mexico.

Mr. Bish and Marion Knox were married in 1937. In 1942 their daughter, Billie Ruth, was born. During World War II Mr. Bish served as a lieutenant in the United States Navy. He was a gunnery officer on a Merchant Marine vessel in the Pacific.

In December, 1945, Mr. Bish came to Lawton as a junior high teacher and basketball coach. The following September he became junior high principal. At the beginning of the next term Mr. Bish became the principal of Lawton High School.

Judy - It has been a pleasure to work with you for the past three years. Thanks for the help you have given me and LHS - we will both miss you next year. Best of luck in the future.
Hugh Bish

Mr. Bish is talking to an interested person about some important aspect of school policy.

An Outstanding Year

A SPECIAL MESSAGE FROM MR. BISH

This has been an outstanding school year for our "City within a City." Our increase in school population has been accompanied by a growth in school spirit. This spirit, referred to by our citizens as "WOLVERINE SPIRIT," has seemed to have a special significance. Our student council adopted the theme, "The Utmost for the Highest," at the beginning of the school year and our student body responded to this challenge with the extra effort which resulted in many outstanding accomplishments. Therefore, it is with considerable civic pride we bring to a close another chapter in the history of Lawton High School. It is hoped that our LORE has in some measure caught the excitement and the enthusiasm of a successful school year.

Mr. Bish explaining to a new student how LHS works and listening to a question of one of the faculty.

MR. GENE HANCOCK, M.Ed.
University of Oklahoma
Assistant Principal

Mr. Hancock is checking his library for a book containing pertinent information he needs on a question of procedure.

Mr. Gene Hancock, assistant principal, is also a native of the Sooner State. He was born in nearby Grandfield. Mr. Hancock received his B.S. degree from Oklahoma State University, Stillwater, and his M.Ed. from the University of Oklahoma, Norman.

Mr. Hancock married the former Clorene Davis of Lawton on April 3, 1942. Their girl, Dana, was born January 28, 1947.

Mr. Hancock has served in various capacities since joing the Lawton school system in 1941. Mr. Hancock became boys' guidance director in 1950 and assistant principal at the new building in 1955.

. . Is Impossible Without the Administration

The staff in the principal's office is most important in the functions of Lawton High School. They keep track of the attendance of the school's 2000 students. The office staff, Mrs. Myrtle McCarty, Mrs. Joyce Pursley, Mrs. Karey Fuqua, and Miss Judy. Ray must record all of special passes issued and must write and record all admittance slips. They keep a daily record of the absences of the students. In addition to their other duties, Mrs. Fuqua and Miss Ray act as secretaries to the principals.

Guidance Department and Faculty . . .

The guidance department is of primary importance to the students of Lawton High School. The counselors are always willing to discuss the problems of the students, both school and personal affairs. They administer the many tests given to the students. The counselors often keep long after-school hours conferring with a pupil or parents, working on a testing program, or acting as general assistants to the principal. The guidance offices have much occupational and college information always available for student use.

. . . The Foundation of the City

The faculty of Lawton High School serves the students in many ways. They are the ones that are most important in the daily school life of LHS. The students see and listen to the teachers every day as the instructors try to impart some of their knowledge and experience to their classes.

Many of the faculty serve as sponsors of the 35 clubs and organizations. They assist the club officers in the activities and projects of the clubs. The sponsors of the classes serve as co-ordinators and advisors to all class projects.

Cooks and Custodians Maintain the City

The students of LHS owe the cooks and custodians of the high school a great deal of thanks. Most every day the students attend schools, the cooks prepare meals for 1000 students. Every day the custodians sweep the halls and generally keep the school in a neat and clean order. They help set the various rooms back in order after the many parties. They attend to innumerable minor emergencies during the 36 weeks of school. They must attend to heating repairs, doors that refuse to stay shut, and many such matters.

Personalities

Lore Queen

Billie Karen Mercer

Judy -

I'm so glad to have known you during these years at Y.H.S because you are such a sweet and darling person - I've always admired you.

This year has been a big one for you, too - you have done yourself proud with your accomplishments and you are so deserving.

I'll always remember your sunny personality.

God bless you.

Love,
Billie Karen

It has been often said that beauty is its own excuse for being. True as this well may be, it has also been proved that complete loveliness lies deeper than mere physical beauty. A perfect example of a thoroughly beautiful young lady is our 1961 Lore Queen—Billie Karen Mercer.

Her classmates have found in her the ultimate in sincerity and kindness. She has an invaluable talent for accepting the best in life or in people and disregarding the other as the wind separates chaff from grain. Her deep understanding of others combines with her soft words of encouragement to make a true friend of her every acquaintance.

Billie Karen's tireless efforts to apply her intelligence and talents toward active service of her school, her country and her God has won her the respect and love of all. We, her friends, find that our hearts know well her beauty—an unaffected beauty deeper than our eyes can ever see.

Lawton High School Seniors Honor

MOST VALUABLE
Linda Pahdoco

Linda Pahdoco, daughter of Mr. and Mrs. Jess Pahdoco, has contributed to the welfare and progress of Lawton High School from the first day she entered as a sophomore. Through her activities as Sophomore Class Cheerleader, Junior Wolverette Cheerleader, and Head Senior Cheerleader, she has contributed greatly to our famous "Wolverine Spirit." Her outstanding work in the field of drama has won her the title of local Thespian Secretary as well as vast out-of-school recognition. Lawton High is truly proud of Linda Pahdoco, a valuable citizen.

MOST POPULAR
Dixie Massad

Dixie Massad, daughter of Mr. and Mrs. Richard Massad, has acquired for herself that rare possession of a vast intelligence perfectly combined with an inspiring personality.

Dixie can always be relied on not only to do her own job well, but to give her fellow workers that necessary bit of encouragement. Because of her pleasant efficiency, she has been bestowed with such titles as Thespian President, Student of the Month, and nominee for Lore Queen.

We are proud to know Dixie Massad, our "Most Popular" citizen.

Lynn Gramling, daughter of Mr. and Mrs. Clifton J. Gramling, has been active in and directed various school activities. She served as Junior Class Secretary and, as a senior, she was elected Vice President of the Student Body. By virtue of that office, Lynn was organizer of all school assemblies. She was a delegate to the State Student Council Convention. Lynn has been Vice-President of Wolverettes and helped to direct the organization's efforts to increase school spirit in athletic endeavors.

Lynn has proved herself dependable in all she encountered.

MOST DEPENDABLE
Lynn Gramling

Ferne Hooper, daughter of Mr. and Mrs. Roy B. Hooper, entered L.H.S. as first semester President of the Sophomore Class. Since that time Ferne has been one of the outstanding leaders of our school. She was twice elected President of N.H.S. in her junior and senior years which in itself exemplifies her intelligence.

She represented L.H.S. at Girls' State last year and has recently won the D.A.R. award.

She has twice been elected Student of the Month. She has actively taken part in F.T.A. and has chosen teaching as her profession.

MOST INTELLECTUAL
Ferne Hooper

Classmates in 1961 Who's Who

BEST PERSONALITY
Linda Griffin

Linda Griffin, the daughter of Mr. and Mrs. Jess Griffin, has lent her sparkling personality to many school activities.

Linda has participated in both the Junior and Senior Class plays as a major character and received a minor role in the All-School Play of 1961. In her sophomore year, Linda was class cheerleader; and this year, as a senior, she was nominated for Lore Queen and was elected to Who's Who. Linda's charming personality has had much to do with her position as advertising manager of the yearbook staff.

MOST COURTEOUS
Joyce Issacs

Joyce Issacs, daughter of Col. and Mrs. Roy Issacs, has found a dear place in the hearts of each of her classmates. Her inexhaustible willingness to work, her quiet consistent help, and her reliable dependability have heen a welcome inspiration for all. She has been rewarded by such honors as President of Future Doctors of America, Secretary of our Student Body, and Student of the Month. We are thankful for the thoughtful and sincere courtesy of Joyce Issacs.

BEST GROOMED
LeAnne Karnes

LeAnne Karnes, daughter of Col. and Mrs. H. L. Karnes fully realizes the necessity of good grooming as she earned this title by displaying such qualities.

LeAnne has served Lawton High School faithfully since her sophomore year. She has taken part in many of the diversified activities Lawton High offers to all students. A member of the Wolverettes for three years, LeAnne has plainly shown her Wolverine Spirit. The duties of yearbook staff feature editor helped make LeAnne's senior year her most valuable.

BEST LOOKING
Billie Karen Mercer

Beauty invades the L.H. S. Who's Who by Billie Karen Mercer, the daughter of Mr. and Mrs. Earl Mercer. Her natural beauty and sincere sweetness have been a striking example for all. This diligent, working girl has faithfully given her time and talents to various activities. She was elected to such honors as President of Wolverettes, Football Queen Attendant, Student of the Month, and a nominee for Lore Queen. L.H.S. certainly thinks that Billie Karen is a deserving member of this Who's Who.

Lawton High School Seniors Honor

MOST VALUABLE
Hartwell Menefee

Hartwell Menefee, son of Mrs. Essie Menefee, certainly proved himself most valuable to L.H.S. Hartwell, a three-year letterman in football, basketball, and baseball, has contributed his greatest efforts by his outstanding ability in sportsmanship. Tri-captain of the football team, he was elected all-conference and all-district. Hartwell played left-end, defensive halfback, and was a terrific downfield blocker. He led the L.H.S. basketball team in scoring. Hartwell Menefee is truly most valuable to L.H.S.

MOST POPULAR
Don Davis

Don Davis, son of Mrs. Clarence Davis has been one of the outstanding seniors at Lawton High School.

Don served as Treasurer of his Sophomore Class, President of his Junior Class and as President of the Student Body.

During the summer of his junior year, Don was a delegate to Oklahoma Boys' State. Don was twice an L.H.S. delegate to the Oklahoma White House Conference for Children and Youth. His greatest reward came in August, 1960, when he went as a delegate of the U. S. to the YMCA World Youth Conference in Amsterdam, Holland.

MOST DEPENDABLE
Allan Thompson

Allan Thompson, son of Mr. and Mrs. H. N. Thompson, has presented L.H.S. with an accurate record of its activities and its outstanding personalities in his role of Tatler editor. His campaign for the sale of yearbooks was responsible for the largest number of sales in the history of the Lore.

Allan has been Student of the Month and Senior Class Vice-President. He was delegate to the State Student Council Convention in 1960. Allan served in the Junior Play of 1960 and the Senior Play of 1961.

MOST INTELLECTUAL
Hans Giroux

Hans Giroux, son of Mr. and Mrs. F. D. Blakeslee, came to L.H.S. as a junior and has since that time continually led his class scholastically. He attended Verdun American High School as a sophomore in Verdun, France. Hans is of German parentage and attended a German school for three years. So it is indeed a great feat for his being elected Most Intellectual of the Senior Class. Hans will attend the University of California where he will major in nuclear physics.

Classmates in 1961 Who's Who

BEST PERSONALITY
Paul Baker

Paul Baker, son of Mr. and Mrs. Cecil Baker, has been an active working member of his class as well as an outstanding and pleasant personality. His constant friendliness and genuine sincerity have won him such titles as Key Club Chaplain, Senior Class Treasurer, Circulation Manager of the Tatler staff, and L.H.S. representative to Oklahoma Boys' State. He has also contributed to L.H.S. through his superior football athletic ability.

These are only a few of the accomplishments of Paul Baker—an inspiring personality.

MOST COURTEOUS
Larry Green

Larry Green, son of Dr. and Mrs. Charles Green, has been an outstanding school athlete as well as an active participant in class projects. His pleasant personality and constant patience have provided all who know him with an encouraging example. He has been a two-year football varsity letterman as well as Secretary of the Future Doctors of America and Vice-President of the Junior Class. It is inspiring to have a boy like Larry Green as our "Most Courteous" citizen.

Good Grooming adds to the flavor of L.H.S. Who's Who as Wayne Littlefield won this honor.

Wayne was Senior Class President, Marryin' Sam for Sadie Hawkins' week, and 1960 Prom Co-Chairman. He attended Boys' State and was elected as Student of the Month. Earning a speech letter, he had the major role in the Senior Class Play, and a minor role in the All-School Play. Wayne is the son of Mr. and Mrs. C. W. Littlefield and plans to be an orthodontist in the future.

BEST GROOMED
Wayne Littlefield

Best Looking Boy, Roger Pursley, son of Mr. and Mrs. Joyce Pursley, combines his athletic ability and his other various activities to make him a well-rounded person. Being active in "L" Club, Roger is a three-year letterman in football, playing at both fullback and defensive halfback positions. In the Senior Class Play, Roger was outstanding in his major role as a smooth, good-looking character from Hollywood. Roger's lively personality plants a shining glow in the hearts of all his friends. Roger Pursley is truly appreciated at L.H.S.

FIGHT!

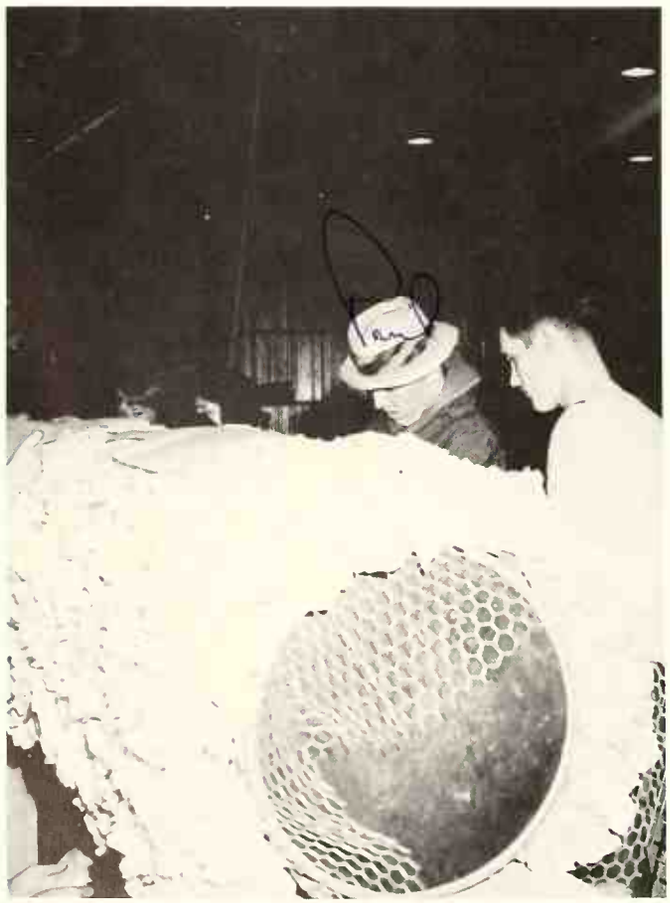
1960 Homecoming was bigger, better, and certainly more colorful than ever. Pretty Carole Copeland, reigning as football queen, was crowned between halves of the Lawton-El Reno football game by Pat Hennessee, "Kissing Captain." Her two attendants, Billie Mercer and Judy Beauchamp were escorted by Danny Wigington and Russell Fremin, respectively.

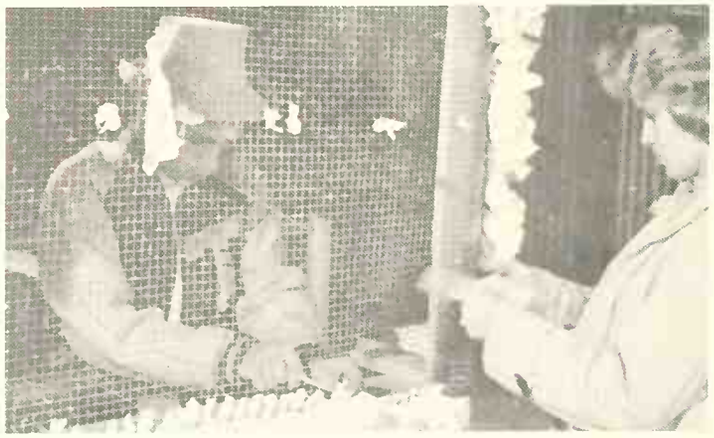
A spirited pep rally began the homecoming activities honoring the football team of 1950 and their coaches, Mr. Glen Dosser and Leroy Montgomery.

Approximately twenty tediously created floats added their splendor in the annual downtown parade.

The "Stairway to the Stars" presented the fitting climax for the many weeks of preparation for the homecoming festivities. The sight of the royal couples on the white throne backed by a huge white star illuminated by red lights will long be remembered by the students and patrons of Lawton High School.

Paul Baker reflects the anxiety of the oncoming game as the cheerleaders lead the student body in a cheer for him.





Rally To Final Coronation

Head Cheerleader, Linda Padocho, turns to present the helmet to the queen's escort, Pat Hennessee, for the coronation.

Queen Carole is escorted by Pat Hennessee to the "Stairway to the Stars."

The "Stairway to the Stars" illuminated by a beautiful red star creates a magical charm as the royal couples pause to receive recognition of the crowd.

Long stem red roses are in order for the royalty as the traditional gift from the football team.

Seniors Couples' Dance

"Hexapoppin"

The SENIOR CLASS ASSEMBLY, "Hexapoppin," was an 'Alice in Wonderland' type of journey through Hades.

The assembly, in musical comedy style, dealt with an unfortunate soul who found himself in the wrong place upon his entry into the hereafter. Steps were taken to rectify the mistake, but before the poor fellow made it to heaven, he was taken on a delightful tour of the sights, sounds, and talents of the seniors' fabulous underworld 'paradise.'

J. Mackey

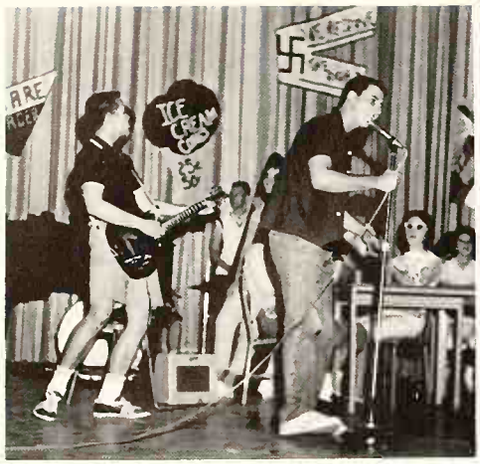
D. Harry, B. Breeding, J. King, P. Myers.

"Show Biz"

The JUNIOR CLASS ASSEMBLY was a great success from the opening chorus singing "Everything Is Coming Up Roses" to the finale where everyone on stage joined in the singing of "There's No Business Like Show Business."

The juniors displayed splendid talent as they showed the progress of show biz since vaudeville. The audience was lead through the golden era of vaudeville by a comedy-dance act, a slapstick act using shaving cream pies, and a soft shoe routine. As time passes so does show biz. Al Jolson, and the Charleston illustrate the entertainment after World War I. A "Dixie Land" Band and jazz invade the music world as America turns to the "broken rhythm." Last of all to show the modern sound of music, the Rock 'n Roll Age was depicted. This was SHOW BIZ.

J. Willet, T. Downing, N. Bentley, D. Ritzwoller, D. Aust, M. A. Ashlock, B. Boyd, P. Paramore, G. Ellis, K. Thompson.



"We Found Where The Boys Are"

The SOPHOMORE CLASS ASSEMBLY was a delightful, colorful show which marked the opening of the annual class assemblies. The sophomores adapted the popular movie "Where the Boys Are" to their program and used "We Found Where the Boys Are" as the theme.

The class talent was represented through their performances and impressive scenery. The talent included singing, a combo, modern dances, and a pantomime.

All School Play

"Annie Get Your Gun" by Dorothy and Herbert Fields was the annual Thespian production of the all-school play.

The play, a riotous three-act comedy, is the story of a shy, awkward, backwoods girl who falls in love with Frank Butler, the handsome, famous sharpshooter of Buffalo Bill's Wild West Show.

After beating Frank in a shooting match, Annie joins the show and rates a star billing. Frank, his pride injured, joins the Pawnee Bill Wild West Show. Annie finally gives in and lets Frank outshoot her; the two shows combine, and everybody goes home with a smile.

Seniors Produce

"Stage Door"

"Stage Door," a drama in three acts, by Edna Ferber and George S. Kaufman was the 1961 senior class play.

The play deals with the happiness and the sorrow, the romance and the heartbreak of the stagestruck actresses living in the many tenement houses only a step away from Broadway.

Terry Randall is the talented, but undiscovered young starlet, and as she drifts from one minor role to another she gains two suitors; Keith Burgess; a young, conceited playwright, and David Kingsley, a middleaged Broadway producer.

Keith falls prey to Mammon and goes to Hollywood to write for the motion pictures and Terry falls in love with David and finds success on Broadway.

Junior Class Presents

"Diet of Dates"

A double cast was used for the first time in the history of the school as the Junior Class presented the witty, sparkling play "Diet of Dates" by William Dalzell.

The play tells what happens when a foreign prince comes to a small, midwestern town as an exchange student.

Prince Said Ben Ahmad takes up residence with the Fallansbee family and immediately has all the girls in town madly in love with him. The boys band together in a crazy scheme to ruin Prince Said's good reputation and the play rushes to a wild climax that has the audience in stitches.

The Wolverine football squad launched the 1960 season with a 48-12 rout of the Frederick Bombers.

Lawton was slow starting, netting only eight points in the first quarter, but by halftime they had rolled up a 24-6 margin.

The Wolverines registered 478 yards total offense in the game.

The following week, Lawton traveled to Ardmore and started its bid for the Boomer Conference Crown with a smashing 55-0 victory.

The Wolverines scored eight touchdowns and were never seriously threatened as they thoroughly outclassed the underdog Ardmore eleven.

45-0 was the score as Lawton rolled over its third straight victim, the Altus Bulldogs.

The Altus team put up a gallant battle during the first half, holding Lawton to only 12 points, but the Wolverines roared back in the second half and scored five more touchdowns.

The Wolverines entered the Wichita Falls game riding a three-game winning streak and emerged on the wrong end of a 26-0 rout. It was the fourth straight victory for the Coyotes who continued on to become the Texas state championship runners-up in class AAAA.

Lawton held the tough Wichita Falls eleven to only six points in the first half, but the Coyotes broke the game wide open with two cross country touchdowns in the third quarter.

The Wolverines were completely outclassed in the game and never seriously threatened the Coyotes.

The following week Norman fell before the enraged Wolverines, 29-18, in a hard-fought, down to the wire battle that had the fans on their feet for the whole game.

Each team scored twice in the first fourteen minutes and then settled down to a tough defensive battle. The final gun saw Lawton holding the Tigers on the one-foot line. The victory put the Wolverines in the Boomer Conference lead with a 2-0 record.

B. Hunt jerks loose from two El Reno players while R. Pursley and C. Davis rush in.

Chickasha was the next team to invade the Wolverines' lair, and was soundly trounced, 26-0.

Lawton scored the first two times they had their hands on the ball and coasted to the victory in the state's number two-rated game.

The Wolverines' split-T attack netted 250 yards on the ground and 76 more through the air, but four lost fumbles prevented Lawton from adding any more points to the score.

Four different Wolverines scored touchdowns in the conference victory which gave Lawton a 5-1 season record.

An inspired El Reno team came to Lawton with one purpose in mind-victory, but they didn't have what it took and tasted a 36-6 defeat.

This was the Wolverines' homecoming game and they scored almost at will, while rolling up their fourth straight conference victory.

Lawton took the ball on the Indians' 44 after the El Reno team had failed to move it, and smashed across for the first touchdown in only five plays. The conversion was good and Lawton had an early 7-0 lead. The Wolverines rolled up four more touchdowns and held El Reno to only 26 yards total offense.

C. Davis snatches ball from air after a tremendous pass from quarterback.

T. Cerveny drives hard while two Chickasha players close in.

A seven-game winning streak was ended when Lawton ground-out a tough 21-0 win over the Woodward Boomers.

Lawton scored on three spectacular plays and held Woodward inside the 15-yard line three times to fashion this hard-nosed victory.

The win gave Lawton a twelve-game winning streak over state opponents and maintained their number two state ranking.

The Wolverines struck from behind and then had to stave off a desperate last minute attempt to gain a 14-14 tie with the upset-minded Cougars from Ada.

Lawton roared back from a 6-0 deficit to take 14-6 halftime lead only to see victory wrenched from their grasp by a long Ada drive.

The tie maintained the Wolverines' lead in the conference.

A fumble on the one-yard line ruined Lawton's chances for a victory over the Phillips Blackhawks, causing them to settle for a 14-14 tie with the Texas team.

Lawton, crippled with injuries, could never get an offense going and was hard pressed to find an adequate defense against the Blackhawks. After spotting Phillips six points, the sluggish Wolverines had to roar from behind twice to gain the deadlock.

Duncan was the final stumbling block between the Wolverines and the conference championship, but the Demons fell before the aroused Lawton team, 22-6, as there was no stopping the Red and White.

Although halted three times inside the Duncan five-yard line the Wolverines carried a 16-6 bulge into the dressing room at the end of the first half.

The victory gave Lawton the conference championship for the second time in three years.

A Norman player rushes down the sideline as he is tackled hard by T. Cerveny while other Lawton players rush in.

Wolverines Finish as State Runners-Up

It was Thanksgiving Day and Norman's Owen Stadium was the scene of the state championship game between Lawton and the Bombers of Midwest City.

Both teams had completed successful seasons and the game was rated a tossup. The only blemish on the Bombers perfect record was a 7-7 deadlock with Putnam City and the Wolverines were yet to be measured by an Oklahoma team.

The Lawton fans were up early on the frosty November morning and were anticipating an exciting battle between the teams. Just two years ago Capitol Hill had grabbed the championship from the Wolverines and they were determined that it wouldn't happen again. It did.

When the final gun had sounded the Lawton team found themselves the losers of a 19-0 cakewalk.

Both teams had come to play, but the Wolverine forward line crumbled and their offense was thwarted again and again.

The Bombers struck like lightning in the first three minutes of play to take a 6-0 lead and then settled down to a bruising, battering game that completely wrecked the Wolverines.

Lawton had repeated chances to pull it out of the fire during the last half, but key interceptions and heart-breaking fumbles robbed Lawton of the victory.

It was a sad climax to a great season, but there will be other years and other teams.

BASKETBALL

Wolverines Hindered By Injuries,

The Wolverines entered their first conference game with a 4-2 season record and emerged on top of a 49-47 victory over Chickasha; the win placing them in the conference lead, along with El Reno. The Red Raiders, 6-0, were handed their first loss, 38-36.

Lawton then traveled to Ardmore and dropped a 47-46 heart-breaker. The Wolverines had trouble finding the range as they hit a cold 28.6 per cent of their shots; however, the Red Raiders managed to grab a 41-36 victory to gain back some lost prestige.

Experience Disappointing Season

Once again Lawton found the going rough as they fell before a torrid Duncan scoring attack, 50-30. The Wolverines were never in the game and could manage only 12 points in the first half. The Red Raiders avoided a complete shutout, as they won, 58-39.

The El Reno Indians badly scalped Lawton the following week, as they tucked a 57-37 victory under their belts. El Reno roared to an 18-8 first quarter lead and poured it on down the stretch. The 'B' team fared no better as they dropped a 38-36 decision.

Spirited Wolverines charge through symbolic 'L' to take on another opponent.

Despite a 21-point volley in the fourth period, Lawton dropped a 59-46 decision to Ada, to bring their league record to a drab one victory against four losses. The Red Raiders managed to pour it on, however, and grabbed a 38-26 win.

The Wolverines dropped their fifth straight to a determined Chickasha quintet, 40-33. The Chicks led throughout the game as Lawton found it hard to get started, but again the Red Raiders salvaged part of the evening with a 52-37 rout.

Lawton traveled to Norman the following Friday to challenge the undefeated Tigers, only to end up at the bottom of a 61-33 landslide, as Norman jumped to a 25-14 halftime lead and roared away down the stretch. The Norman 'B' team turned the evening into a complete rout with a 40-26 slaughter of the Raiders.

The Wolverines, tasting their share of defeat, roared back the following week and measured a heavily-favored Duncan team, 37-33. The Red Raiders added a 42-25 win to make it a clean sweep.

A determined Lawton team managed to throw a scare into the El Reno Indians before falling before the hatchet, 54-47. The Wolverines were in it all the way, but just didn't have enough manpower. The Raiders also lost, 49-46.

A last quarter rally fell short as Lawton dropped a 52-42 decision to Ada's hard-fighting Cougars, but the Raiders managed to add another victory to their record as they outscored the Ada 'B' team, 50-45.

Ardmore rolled up a 43-18 lead in the third quarter and then coasted to a 65-48 victory over the hapless Wolverines. The 'B' team found the going a little easier, however, and notched a 57-52 win.

Once again Lawton had to face the league-leading Norman team, and once again their upset bid fell short as the Tigers wrapped up a 46-36 victory to wind up the season with a 12-0 conference record. The Norman 'B' team also won, pasting the Raiders, 63-37.

Thinclads Defend Conference Crown

The Lawton High School track team entered the 1961 season as Class AA State Champions. During the 1960 campaign they were unbeaten in state competition.

This year, 14 meets were scheduled with Lawton hosting the Lawton Invitational and the Boomer Conference meets. Other outstanding events attended by the thinclads were the Iowa Park relays at Wichita Falls, the Possum Kingdom relays at Graham, and the Southern Invitational at Duncan.

The tracksters opened the season against 97 of the finest teams that Texas had to offer at the Fort Worth Recreational Meet at Fort Worth. Lawton found it tough going as they failed to net any points, however, several individuals showed fine performances at the grueling one-day meet.

The following Saturday the track team traveled to Graham, Texas, once again to face stiff Texas competition and to gain valuable experience needed to face the many fine Oklahoma teams seeking to upset the state champions.

Future Homemakers Are Reaching

Carolyn Whitis, Judy Anderson, Florene Hanks, prepare refreshments for the Home Economics reception.

Jerri Stafford serves members and guests punch at the F.H.A. get-acquainted party.

The purposes of the Future Homemakers are:

To promote a growing appreciation of the joys and satisfactions of homemaking.

To emphasize the importance of worthy home membership.

To encourage democracy in home and community life.

To work for good home and family life for all.

To promote international good will.

To foster the development of creative leadership in home and community life.

To further interest in home economics. Some of the club's projects (state, national and local) include the following:

"Youth Can Do"—to inspire youth to take responsibilities in home, community and in the nation.

"Teen Age Consumer"—to explain the role of the teenager in consumer buying.

"Family Unity and Family Fitness"—to explain the full meaning of our homes and families.

"Future with Home Economics"—home economics as a career.

"Getting to Know You"—to know the club members and potentials of each.

The Future Homemakers of America give one award each year to the outstanding senior girl who has contributed the most to the FHA club in her three years of high school. The award consists of five dollars.

The theme for the club this year is "Toward New Horizons."

Pat Griffin gives a student demonstration to attentive Kay Herder, Linda Taff, Jeanne Hobbs, and Caren Everett.

Vocal Groups Practice Daily, Rehearse

Cleta Davis, accompanist; Wanda Heard, pres.; George Welborn, vice pres.; Ferne Hooper, accompanist; Barbara Horn, accompanist. CENTER: Linda Heard, sec.

Those in the vocal department have provided the students and faculty of Lawton High School, as well as many civic clubs, with countless hours of enjoyment through the medium of music. They attended the Weatherford Festival of music, the Stillwater Festival, and the All State Choir, where their talent and eagerness were displayed to full advantage.

Each May, letters are presented to the members who have given two or three years of service to the club. At this time, the Arion Award is presented to the most outstanding member, who is chosen by his fellow students and the faculty. Also, an award is presented to the senior with the highest grade average in music theory.

In the vocal music department, many students have been given the incentive to further their music careers. This desire for music has led to the founding of a great friend in the world of sound.

Key Club Serves School, Community with Many Worth-while Projects

Key Club is a service organization sponsored by the Downtown Kiwanis Club of Lawton.

The projects of the club have been both outstanding and rewarding. Key Club painted the light poles and the yellow division lines in the school parking lot, and handed out maps of the school to the students at the first of school. When the OSU Boys' Glee Club performed for the students, members of the club undertook the task of finding places for each of the boys to spend the night.

The Safety Week which was conducted by Key Club was a success, and over 400 cars were checked through their efforts. The club also organized the Muscular Dystrophy Drive, earning over $500 for the fund. In addition, they distributed posters and collected for the March of Dimes campaign.

Other activities included a canned-food drive, collecting Christmas trees for the needy, and cleaning up trash on the highway one mile on each side of Lawton, as well as many other activities.

Billie Ruth Bish, asst. editor

Allen Thompson, sales manager

Yvonne Jewett, business manager

The purpose of the Lore staff is to produce a fine quality yearbook that relates the history of the year's school events and is readily accepted by the student body.

Members of the Lore staff are chosen from a group of students who have completed a detailed application. Each student must have at least a "B" average, must be willing to work during the period set aside for yearbook, as well as both after school and at night during the last week before the four deadlines. This year, deadlines were December 25, January 20, February 25, and March 10.

During the summer the staff attended a yearbook conference at Oklahoma City University.

Positions on the staff include: editor, assistant editor, business manager, sales manager, copy editor, faculty editor, art editor, organizations editor, two sports editors, two feature editors, two class editors and two advertising managers.

Aside from working on the yearbook, members of the staff contribute greatly to other activities around the school.

Staff members have had major parts in the all-School and senior plays this year; they entered a float in the homecoming parade and have participated in class assemblies and activities.

This year four members of the staff were elected to the senior Who's Who.

By its initiation and other activities, the National Honor Society strives to honor those who have achieved a high record of scholarship and have proved their leadership and character by service to the school.

Some of their projects include their 3rd Annual Talent Show, the Faculty Tea, Student-Teacher Auction, College Night and Good English Day. Also the club collected toys at Christmas for needy families and sponsored an essay contest, "The Constitution in a Changing World."

Thespians Present Comedies, Drama to Student Body

Larry Smith, Wayne Littlefield, Tony White, Dixie Massad, Linda Griffin, Cathryn Goddard.

The purpose of the Thespian club is to develop an appreciation and create an active interest in all types of theater activities.

The main activity of the year for the club was the all-school play. The title of this year's production was "Annie, Get Your Gun."

To become a member, each student must first earn fifteen points either by musical, dramatic or stage production work. Points may be earned by attending amateur or professional performances, or any other entertainment of worthwhile dramatic value; participating in any radio broadcast; selling tickets or making posters for a full-length play; acting as prompter or as a member of the stage crew for a one-act play or by performing many other dramatic aids.

At the initiation ceremony in March, "best Thespian" awards are presented to the two students having the highest number of points. Also at that time Opal awards are presented for best actor and actress; best supporting actor and actress; stage managers of the best production of the year, and student directors of the best production of the year.

The National Thespian Society was host for the two-day state conference on March 10th and 11th which was attended by over twenty-five schools. The Lawton High Troupe 935 will present "Winnie The Pooh" for the Children's Theater Play at the national convention at the University of Indiana in the summer of 1962.

Office Club Contributes Hours of Service

Through the co-operation of the 65 Office Club members, the duties of the administrative office, attendance office, guidance offices, and library are made a little easier. The members receive no credit for their time spent. Although their tasks seem simple, they supply over 12,060 hours of service, which contribute to the efficient way in which the school is operated.

Bozart Ball Highlights Activity Slate

Shirley Scott, vice president; Jeannie Pickering, attendance officer; Tom Beauregard, president; Mary Burns, treasurer.

The Palette and Brush Club has received much recognition from the community and LHS students through its art endeavors.

The club has participated in many worth-while activities including the entrance of exhibits in the State Department of Health Safety Poster contest for national competition, and competing in the O.E.A. exhibition of arts and crafts.

Members took trips to the State Fair, eight state art exhibits, Oklahoma University, and various art museums and made several architectural tours. All these trips were paid for with funds which members earned by painting angels for the Lin Company of Clinton.

Two of the most important social events for the club this year were the Bozart Ball, which featured a Halloween theme, and the Christmas party, which feted the craft students.

The Student Council is the governing body in our "City Within a City." It is composed of representatives from each club, its president or vice president, class and student body officers, and the head cheerleader. They meet each Monday morning to discuss the business of the school and make decisions necessary to its functioning.

It is the duty of the Student Council to consider and approve charters for new clubs wishing membership. The vice president of the Student Council is responsible for the weekly assemblies and sees that all necessary preparations are made. All school-wide parties are under the supervision of the Student Council.

The first week of the school year is designated by the Student Council as official "Howdy Week." It is during this week that each student is given a card with their name and clasification printed on it. This is a special get-acquainted week which is climaxed with an informal "Howdy" dance.

The Student Council takes part in the Homecoming preparations, Spirit Assemblies, and sponsors the annual Spring Dance.

The Student Council deliberates all rules and regulations pertaining to the student body. They approve recommendations with the consent of student body and faculty.

For 41 years the "Tatler" has been the official newspaper of Lawton High School. The popularity of this paper, printed monthly, can be seen in the fact that over three-fourths of the students are regular subscribers.

The "Tatler," a member of the Oklahoma Interscholastic Press Association, serves as a source of information and entertainment to the students and acts as their voice in reporting all school activities and achievements.

Regular features of the four-page paper are the society column, the editorials, the feature column and the news briefs.

Over the years the "Tatler" has come to be recognized as one of the leading highschool newspapers in the state.

Lawton High School Athletics

The supporters of a team are its backbone. The Wolverettes of Lawton High School form a loyal group whose energy and enthusiasm have urged the team to victory time and again.

The Wolverettes did not limit their support to home games. They accompanied their players to five out-of-town games where their pep boosted the spirit of the team.

Wolverettes and prospective members began the season with some 300 girls attending the annual coke party. September 14 marked the date of the formal initiation ceremonies. Activities of the club include painting signs for football and basketball pep rallies, and decorating goal posts for home football games. They take an active part in half-time ceremonies and the yearly homecoming parade.

The principal requirement for membership in the Rocket Club is for the prospective member to express an interest in the field of amateur rocketry. Every missile that is launched represents at least 50 hours of preparation on the part of the club's members. Through established mathematical formulas, they determine the specifications for each rocket. From this data, the intended range, trajectory, thrust, and burning time of the fuel can be reasonably calculated.

The Rocket Club is especially fortunate in having access to the Rocket firing range at Ft. Sill. Every missile before it is launched, is carefully checked by the technical staff of the School of Guided Missiles at Ft. Sill for workmanship and safety, thus lessening the dangers that are associated with amateur rocketry. The actual launching is supervised by a range officer from the missile school, and radar units track the "missiles" to determine their altitude and range.

The success of the club's rockets has ranged from utter failure to complete success. Under the sponsorship of Mr. Tuck, their faculty sponsor, the club, with every rocket launched, hopes that it will be the one which will reach the altitude of over a mile into space.

Judy, That is me below - all darkness especially in the upper story. I've truly enjoyed your friendship these past years and I'm tremendously proud of all your accomplishments. I know you'll go far in this world and I hope for you only the very best. Thank you for all you've meant to me - but most of all just for being you.

Much love,
Liz McCutchen

Evening closes another day in our "city within a city." May 26, 1961, marks the close of another school year. For some students it concludes the days of their high school education. For all it means one more step into the future. With this thought in mind, the 1961 Lore Staff has purposed to preserve the place, the people, and the story behind the people that have made this year memorable. With this book we strive to kindle precious reveries through the years. So closes another volume of the Wolverine Lore.

The Lore Staff

Judy,

You're a most brilliant person and have a wonderful personality. I hope you'll have a prosperous and beautiful future. Sr. 60-61

Bonnie Bruning

Judy,

I've really enjoyed knowing you all these years. I hope you have a fine future. Be good and don't run the many elections.

Dan Baker

Judy,

I can say one thing that I was never so proud as to be nominated by you for the award. I merely mean that I've respect because of the great respect and admiration I have for you I wish all the success and happiness at college. This year has been wonderful to us all. May God give you the best of all in future years.

Love you,

Lynne the Pea

Judy,
Congratulations on a
most successful senior year. You
have won many honors & awards
this year, and you certainly deserved
them all. I'm expecting great things
from you in the future. It's been fun fighting Opal

Dear Judy,
you are very [illegible] my very favorite people. I think you deserve every honor that you have received & may be more. You're a doll, Judy! Good Luck in the future!
Sincerely

Judy-
What can I say? I'm just sick with myself for not getting to know you until this year. I really have valued our friendship and I hope it will last thru out college & afterwards. Stay as sweet and thoughtful as you are now and with your outstanding wit and personality - you will go far in this world & ours.
Best of luck at college
next year - Linda Griffin

Judy,
Lots of luck in the future. You're a swell girl and you deserve it. I hope someday to hear about the Honorable Judy McClung senator from Oklahoma. Have fun
